### **PROFIT WARNING**

This announcement is made by Dadi Education Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review of the unaudited financial information currently available to the Board, the Group is expected to record a decline in the net profit for the six months ended 30 September 2017 (the “**Period**”) as compared to the net profit of the Group recorded for the six months ended 30 September 2016. The aforesaid decline in the net profit of the Group was mainly attributable to (i) the decline in revenue principally due to the depreciation of Great British Pounds to Hong Kong Dollars and the decline in successful placements in the United Kingdom, and (ii) the increase in marketing and staff costs.

As the Company is still in the process of finalising its consolidated financial results for the Period, the information contained in this announcement is only based on the preliminary assessment by the Board on the unaudited draft consolidated management accounts of the Group for the Period and the information available for the time being, which have been neither audited by the auditor of the Company nor reviewed by the audit committee of the Company. The above information may be subject to possible adjustments upon further review. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group for the Period, which is expected to be published by mid-November 2017 in accordance with the GEM Listing Rules.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
